

# TH13

series

## Product Segments

### • Comfort Motion

TH13 is one of our handsets designed for recliner or lifting chair application. With LCD display, user can know which pair of massage motors is working, identify the intensity and speed, as well as heating pad / air lumbar status.

With connection with our control box, TC7, and related accessories, such as massage motor and heating pad (or air lumbar), TH13 will create tremendous wonderful experience while user resting on the furniture.

#### General Features

- 3 different massage modes to select wave, tap, or swell
- Control up to 5 pairs of massage motors
- With LCD display, showing motor intensity, speed, and other condition
